

Muhammad Arslan

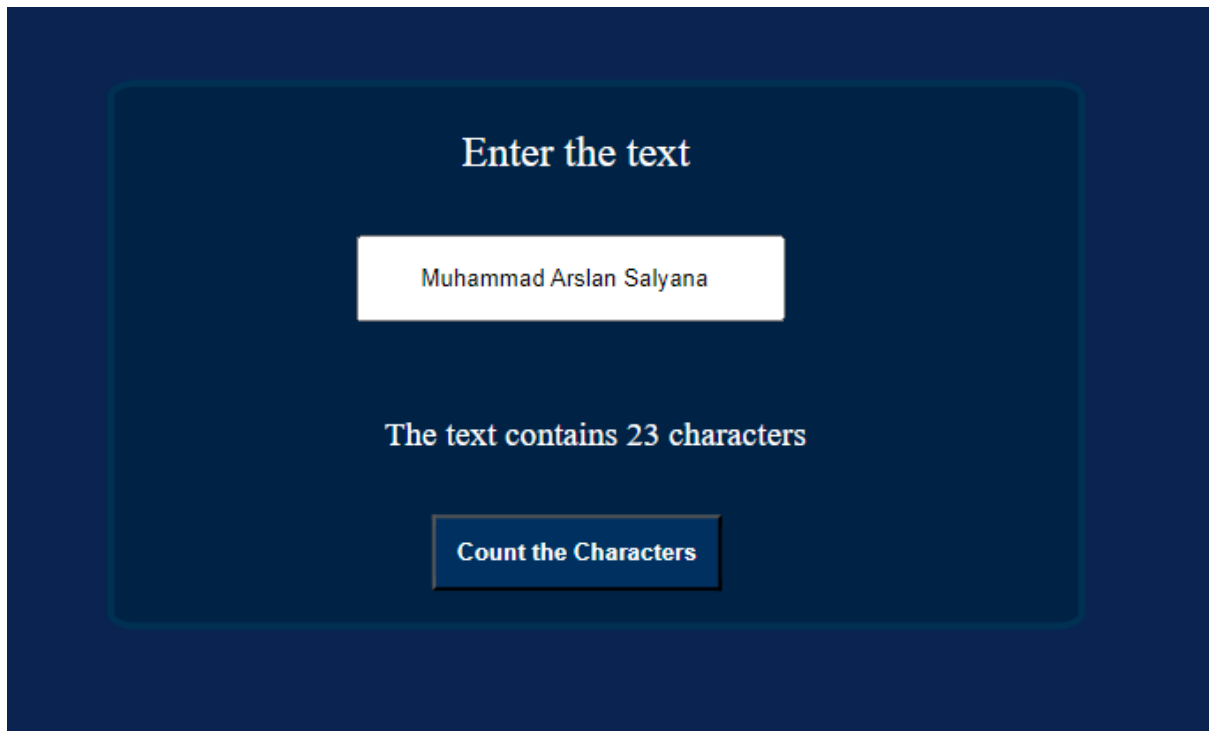

BE\_20 IGIS\_SCEE

## Web Technologies Lab # 01

Task: Digital Clock (HTML, CSS, JS)

### Task: Characters Length Calculator

A screenshot of a web application with a dark blue background. In the center, there is a lighter blue rounded rectangle. Inside this rectangle, the text "Enter the text" is displayed in white. Below it is a white text input field containing the text "Muhammad Arslan Salyana". Underneath the input field, the text "The text contains 23 characters" is shown in white. At the bottom of the rounded rectangle is a dark blue button with the text "Count the Characters" in white.

Enter the text

Muhammad Arslan Salyana

The text contains 23 characters

Count the Characters

### Task: Color Change upon button click

**Muhammad Arslan Salyana**
